/About my internship

Overall, I feel like my internship with cleveland was great it was fun being an ensemble with people and helping them out and giving them feedback but also getting stuck and wanting help was a really great thing that I liked.

/About App/ How to use?

/About App

A little bit about my app is that this app is a game for people who with a disability and people can use speech recognition and also use keys if required. Also This app will have a challenging few levels to get past and avoiding obstacles. SO DIVE INSIDE TO CATCH UP WITH ARROW DASH!!!

/ How do I use the App
